No local changes

There are no uncommitted changes in this repository. Here are some friendly suggestions for what to do next.

Publish your repository to GitHub
This repository is currently only available on your local machine. By publishing it on GitHub you can share it, and collaborate with others.
Always available in the toolbar for local repositories or Ctrl + P

[Publish repository]

Open the repository in your external editor
Select your editor in Options
Repository menu or Ctrl + Shift + A

[Open in Visual Studio Code]

View the files of your repository in Explorer
Repository menu or Ctrl + Shift + F

[Show in Explorer]
